Join thousands of animal lovers for a 1.25 mile walk

Thank you for participating in our 18th annual Walk for the Animals. Walk for the Animals is the Humane Society of Broward County's largest annual fundraiser and is scheduled for **Saturday, March 1, 2008** at Esplanade Park in downtown Fort Lauderdale. The Walk is a fun and exciting event, for both people and their four-legged friends. In 2007, we broke all records and netted \$450,000, which we plan to exceed this year but we need your help.

Why they need our help

This past year, over 9,500 animals in our care were given a second chance at new and loving homes. Thanks to generous people like you who share our passion for animals, the Humane Society of Broward County (HSBC) has not only been able to find new homes for thousands of animals, but also been able to provide a variety of educational programs and assistance for our community and beyond.

The Humane Society of Broward County is a private, non-profit organization that is not affiliated with any national group that shares a similar name. We are only able to help because of the generous support of people in our community. We rely 100% on donations from people and companies who care.
