## New GFE & HUD Workshop

Wednesday, February 17, 2010

### In this Workshop we will go over Frequently Asked Questions on the New GFE & HUD -1

There will be several examples to do - filling out the GFE, reverse mortgage and variable rate fill-ins, and will also deal with lock vs. non-lock situations. The information within the workshop is designed to promote discussion around occurrences that could occur in real life, and lead to contemplation of how to avoid pitfalls before they occur.

**This is a workshop *Everyone* needs to attend!**

**Handouts will be provided – Must bring Calculator and Pencil**

### Workshop Goals

Provide hands on experience in filling out the current mandated GFE and relate it to the mandated HUD-1 closing statement.

To promote a better understanding of the content of the new GFE & HUD.

Students will concentrate on what goes where and why!
